naturals

Beautiful colour-rich coatings in a variety of shades, the 'naturals' range offers style and protection for all your windows and doors.

For technical reasons associated with print colour reproduction, the colours shown only give an indication of tone and shade. The textured, gloss and anodised paint effect printed finishes only give an impression of the final painted product and actual effects will differ. Colour references shown in the charts are for internal use only and are not suitable for colour matching with product supplied elsewhere. We recommend that you obtain a painted colour sample on aluminium plate prior to ordering. Colour samples can be obtained through your supplier.
